Education Code 45347 and 45349 require that volunteers providing supervision or instruction meet the obligations required of classified staff. Pursuant to Education Code 49406, tuberculosis testing is one of these obligations; (see AR 4112.4/4212.4/4312.4 - Health Examinations.)

No volunteer shall be assigned to supervise or instruct students unless he/she has submitted evidence of an examination within the past 60 days to determine that he/she is free of active tuberculosis. Volunteers who test negative shall thereafter be required to take a tuberculosis test every four years in accordance with Education Code 49406. (Education Code 45106, 45347, 45349, 49406)

"I understand that the school may verify whether a person is a registered sex offender by checking the Department of Justice's Megan's Law web site, asking law enforcement to conduct a check pursuant to Education Code 35021.1, and/or requiring volunteers to certify as to their status. As a guest or volunteer of this school, I may have occasional or frequent contact with students. I understand that this requires me to disclose to school officials if I am a registered sex offender. As stated in penal code 290.95, my failure to disclose this fact could result in a fine and/or possible arrest, prosecution and imprisonment.

By placing my name below, I declare under penalty of perjury, that I am not a registered sex offender required to register with school officials under Penal Code 290.95. I further declare that I have not been convicted of sex or drug-related offenses or crimes of violence and that there are no criminal charges pending against me. I agree to abide by the school safety and health regulations."
